Poxel to Present at the 18th Annual Rodman & Renshaw Global Investment Conference September 11-13th, 2016

Lyon, France, September 6, 2016 – POXEL S.A. (Euronext – POXEL - FR0012432516), a biopharmaceutical company focused on the development of innovative treatments for type 2 diabetes, today announced that it will be featured as a presenting company at the 18th Annual Rodman & Renshaw Global Investment Conference, sponsored by H.C. Wainwright & Co., LLC. The conference is being held on September 11-13, 2016, at Lotte New York Palace Hotel in New York City.

Noah Beerman, President of US Operations and Executive Vice President of Business Development, will provide an overview of Poxel's business on Tuesday, September 13th at 5:05-5:30 pm in the Roswell room located on the 4th Floor and will be available to participate in one-on-one meetings with investors who are registered to attend the conference.

The presentation will be webcast live. To access the webcast, please visit www.rodmanevents.com. The webcast replay will remain available for 90 days following the live presentation.

About Poxel SA

Poxel uses its development expertise in metabolism to advance a pipeline of drug candidates focused on the treatment of type 2 diabetes. We have successfully completed our Phase 2 trials for our first-in-class lead product, Imeglimin, which targets mitochondrial dysfunction, in the United States and Europe and have fully enrolled a Phase 2b clinical study in Japan. Our second program, PXL770, a direct AMPK activator, is in Phase 1 development. We intend to generate further growth through strategic partnerships and pipeline development. (Euronext: POXEL)
